

**Target Audience:** Are you aware that women purchase 83% of all products and services? The Geauga County Women's Journal is a primary resource for educated women of all ages and races throughout Geauga County.

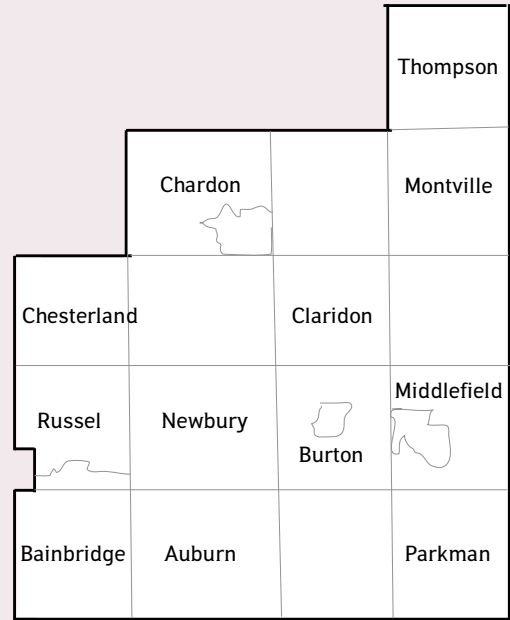

**Readership:** Geauga County – over 38,000 and growing!

**Distribution:** Every business benefits from sharing its message with its target market. The bulk of The Women's Journals placements are in public waiting and meeting areas. Research tells us reading is the #1 activity while waiting in public locations. Readers experience fewer interruptions and distractions and feel less guilty if they are reading outside the home.

With nearly 250 locations from doctors' offices, recreation centers, health & fitness centers, salons, bookstores, senior centers and libraries. PLUS BONUS DISTRIBUTION: Health Fairs, Expo's, Women's Organizations, & Community Events.

It's exactly what you want to say to your potential customers/clients. You provide the informative, educational and resourceful information that positions you as the expert in the field to whom The Lake County Women's Journal readers turn. **YOU** become part of the decision-making process of information gathering!
